

EMPOWER 365 COMMUNITY SERVICES INC.

REFERRAL INFORMATION PACKET

Program Overview

Empower 365 provides person-centered, community-based services for adults with intellectual and developmental disabilities. The program focuses on independence, community participation, employment preparation, travel skills, technology literacy, self-advocacy, wellness, and measurable progress toward individualized goals.

Who We Serve

Adults with intellectual and developmental disabilities who may be appropriately supported within Empower 365's ambulatory-only, community-based service model.

Referral Information to Provide

- Participant name, age, contact information, and preferred communication method.
- Regional Center or funding source and service authorization information when available.
- Current IPP and relevant goals, preferences, strengths, interests, and desired outcomes.
- Relevant health, behavioral, safety, communication, supervision, and support information needed to evaluate program compatibility.
- Transportation needs, schedule considerations, emergency contacts, and applicable support plans.

Referral Process

1. Referral documents are received and reviewed.
2. Empower 365 evaluates goals, support needs, safety considerations, transportation, staffing, and program fit.
3. An intake meeting and/or tour may be scheduled.
4. Additional information may be requested when necessary.
5. If accepted and appropriately authorized, enrollment and service-start planning are completed.
